

EDUCATION

B. Tech | Babu Banarasi Das Information Technology And Management

2022- Present

I am currently in my second year of B.tech specializing in Information Technology and Engineering with focus on web development .

High School Education | SBM Rath Hamirpur

2022

During my high school years at Saraswati Bal Mandir Rath Hamirpur , I achieved an impressive score of 76.6 percent in Class 10th and 59.9 percent in class 12th, reflecting my dedication and academic excellence. I was recognized as a bright student, consistently performing well across various subjects.

EXPERIENCE

Student Ambassador - Let's Upgrade

June 2024

Promoted various tech courses, achieving significant new user sign-ups.
Excelled in coding and quiz competitions. Recognized as a Bronze Student Ambassador for outstanding contributions and leadership.

Academic Projects:

2024

CLOUKER - Cloud Computing and Duplication

Cloud computing provides seemingly unlimited "virtualized" resources to users as services across the whole Internet, while hiding platform and implementation details. Today's cloud service providers offer both highly available storage and massively parallel computing resources at relatively low costs

SKILLS

- HTML
- CSS
- Data structure and algorithm
- Communication
- Problem-solving
- Java script

ACTIVITIES

Project Team Lead, Cloud Computing Club

jan 2024 - july2024

- *Led* a team of 5 in designing and deploying a serverless application using Google Cloud Functions and Firebase, improving response time by 40%.
- *Conducted* workshops on GCP basics, teaching over 50 students how to set up and manage cloud resources.
- *Developed* a cloud-based IoT project utilizing Google Cloud IoT Core, enhancing data collection and analysis capabilities.
